

get the right fit
with kaboodle

 **kaboodle**[®]
TRADE DIVISION

kaboodle.com.au/trade

kaboodle trade division provides products, services and solutions for trade businesses

kaboodle trade division can help you with:

- ✓ **design and project support:** tell us your design ideas and we will create the best solution, including ongoing support and advice
- ✓ **convenience and speed:** access to off-the-shelf products available from the Bunnings network nationally
- ✓ **customisable widths:** through our cut to measure program you can order selected products manufactured to an exact width
- ✓ **large scale projects:** customised solutions are available for large projects on application

Available at

get the perfect fit with kaboodle's customisable range

Combine the best of both worlds—use modular cabinets to start your kitchen plan, and finish off with customised cabinets to perfectly fit the space!

- ✔ customised for the perfect fit
- ✔ minimise filler panels
- ✔ maximise storage
- ✔ reduce visible joints
- ✔ create a seamless designer-look
- ✔ available on base, wall, slimline, pantry and medium wall cabinets and across all door colours in a modern profile

what can be customised?

- ✔ **base cabinet** (200mm - 1000mm wide)
- ✔ **wall cabinet** (200mm - 1000mm wide)
- ✔ **slimline cabinet** (600mm - 1000mm wide)
- ✔ **pantry cabinet** (300mm - 900mm wide)
- ✔ **medium wall cabinet** (200mm - 1000mm wide)
- ✔ **multi-purpose panels** (refer to diagram for sizes)

note: selected cabinets can be adjusted in width only, heights and depths are fixed
